

TIMOTHY LÉON

Versatility is the best word to describe the genius of Timothy Léon's artistry. The Self-Claimed "Minstrel of Serenade" is a true songster with the musical ability to execute any song style or genre in a soulful way; while capturing your attention with his Southern charm. Timothy Léon has a sexy, mysterious, yet warm and homey nature that enchants any audience. He has the vocal range of a god with a smooth silky tone that is powerful, yet light as a feather.

Diligently making moves as an indie artist, he has had the opportunity to share the stage and open for a host of major acts including: Ruben Studdard, Ro James, Aubrie Sellers, and even the legendary Maze ft. Frankie Beverley. He is a fearless artist that embodies truth, freedom, power, sexuality, sensuality, youth and a light of life that is sure to set any stage ablaze with what has been said to be a "spiritual experience". Timothy Léon shows the promise of becoming a timeless icon that will influence and affect change within pop culture among the millennial generation and those after
